

MCC

THERE'S MORE TO YOU. THERE'S MORE TO MCC.

Counseling Services at DCC

- Our counselors can provide support to students for emotional well-being, coping with stress; relationship issues; career choices; decision making; social skills; academic success; and study skills.
- We also provide crisis intervention and assist with referral to community agencies when appropriate.
- In addition to providing personal counseling, all counselors assist with academic advisement, admissions, placement testing interpretation, and student development services.

MCC
