

Use this form to apply free for federal and state student grants, work-study and loans.

Or apply free online
at **www.fafsa.ed.gov**.

Applying by the Deadlines

For federal aid, submit your application as early as possible, but no earlier than January 1, 2009. We must receive your application no later than June 30, 2010. Your college must have your correct, complete information by your last day of enrollment in the 2009-2010 school year.

For state or college aid, the deadline may be as early as January 2009. See the table to the right for state deadlines. You may also need to complete additional forms.

Check with your high school guidance counselor or a financial aid administrator at your college about state and college sources of student aid and deadlines.

If you are filing close to one of these deadlines, we recommend you file online at **www.fafsa.ed.gov**. This is the fastest and easiest way to apply for aid.

Using Your Tax Return

If you are supposed to file a 2008 federal income tax return, we recommend that you complete it before filling out this form. If you have not yet filed your return, you can still submit your FAFSA, but you must provide income and tax information. Once you file your tax return, correct any income or tax information that is different from what you initially submitted on your FAFSA.

Filling Out the FAFSA

Your answers on this form will be read electronically. Therefore:

- use black ink and fill in circles completely:
- print clearly in CAPITAL letters and skip a box between words:

What is the FAFSA?

Why fill out a FAFSA?

The **Free Application for Federal Student Aid** (FAFSA) is the first step in the financial aid process. You use the FAFSA to apply for federal student financial aid, such as grants, loans and work-study. In addition, most states and colleges use information from the FAFSA to award nonfederal aid.

Why all the questions?

The questions on the FAFSA are required to calculate your Expected Family Contribution (EFC). The EFC measures your family's financial strength and determines your eligibility for federal student aid. Your state and the colleges you list may also use some of your responses. They will determine if you may be eligible for school or state aid, in addition to federal aid.

How do I find out what my Expected Family Contribution (EFC) is?

Your EFC will be listed on your *Student Aid Report* (SAR). Your SAR summarizes the information you submitted on your FAFSA. It is important to review your SAR to make sure all of your information is correct and complete. Make corrections or provide additional information, as necessary.

How much aid do I get?

Using the information on your FAFSA and your EFC, the financial aid office at your college will determine the amount of aid you will receive. The colleges use your EFC to prepare a financial aid package to help you meet your financial need. Financial need is the difference between your EFC and your college's cost of attendance (which can include living expenses), as determined by the college. If you or your family have unusual circumstances that should be taken into account, contact your college's financial aid office. Some examples of unusual circumstances are: unusual medical or dental expenses or a large change in income from last year to this year.

When do I get the aid?

Any financial aid you are eligible to receive will be paid to you through your college. Typically, your college will first use the aid to pay tuition, fees and room and board (if provided by the college). Any remaining aid is paid to you for your other educational expenses. If you are eligible for a Federal Pell Grant, you may receive it from only one college for the same period of enrollment.

How can I have more colleges receive my FAFSA information?

If you are completing a paper FAFSA, you can only list four colleges in the school code step. You may add more colleges by doing one of the following:

1. Use the Federal Student Aid PIN you will receive after your FAFSA has been processed and go to *FAFSA on the Web* at www.fafsa.ed.gov. Select the "Add or Delete a School Code" link.
2. Use the *Student Aid Report* (SAR), which you will receive after your FAFSA is processed. Your Data Release Number (DRN) verifies your identity and will be listed on the first page of your SAR. You can call 1-800-4-FED-AID and provide your DRN to a customer service representative, who will add more school codes for you.
3. Provide your DRN to the financial aid administrator at the college you want added, and he or she can add their school codes to your FAFSA.

Note: Your FAFSA record can only list up to ten school codes. If there are ten school codes on your record, any new school codes that you add will replace one or more of the school codes listed.

Where can I get more information on student aid?

The best place for information about student financial aid is the financial aid office at the college you plan to attend. The financial aid administrator can tell you about student aid available from your state, the college itself and other sources.

- You can also visit our web sites www.FederalStudentAid.ed.gov or www.studentaid.ed.gov.
- For information by phone you can call our Federal Student Aid Information Center at 1-800-4-FED-AID (1-800-433-3243). TTY users (for the hearing impaired) may call 1-800-730-8913.
- You can also check with your high school counselor, your state aid agency or your local library's reference section.

Information about other nonfederal assistance may be available from foundations, religious organizations, community organizations and civic groups, as well as organizations related to your field of interest, such as the American Medical or American Bar Association. Check with your parents' employers or unions to see if they award scholarships or have tuition payment plans.

Information on the Privacy Act and use of your Social Security Number

We use the information that you provide on this form to determine if you are eligible to receive federal student financial aid and the amount that you are eligible to receive. Sections 483 and 484 of the Higher Education Act of 1965, as amended, give us the authority to ask you and your parents these questions, and to collect the Social Security numbers of you and your parents. We use your Social Security number to verify your identity and retrieve your records, and we may request your Social Security number again for those purposes.

State and institutional student financial aid programs may also use the information that you provide on this form to determine if you are eligible to receive state and institutional aid and the need that you have for such aid. Therefore, we will disclose the information that you provide on this form to each institution you list in questions 104a - 104h, state agencies in your state of legal residence and the state agencies of the states in which the colleges that you list in questions 104a - 104h are located.

If you are applying solely for federal aid, you must answer all of the following questions that apply to you: 1-9, 14-16, 18, 21-23, 26-28, 33-37, 39-45, 48-61, 63-70, 72, 75-84, 86-102, 105-106. If you do not answer these questions, you will not receive federal aid.

Without your consent, we may disclose information that you provide to entities under a published "routine use." Under such a routine use, we may disclose information to third parties that we have authorized to assist us in administering the above programs; to other federal agencies under computer matching programs, such as those with the Internal Revenue Service, Social Security Administration, Selective Service System, Department of Homeland Security, Department of Justice and Veterans Affairs; to your parents or spouse; and to members of Congress if you ask them to help you with student aid questions.

If the federal government, the U.S. Department of Education, or an employee of the U.S. Department of Education is involved in litigation, we may send information to the Department of Justice, or a court or adjudicative body, if the disclosure is related to financial aid and certain conditions are met. In addition, we may send your information to a foreign, federal, state, or local enforcement agency if the information that you submitted indicates a violation or potential violation of law, for which that agency has jurisdiction for investigation or prosecution. Finally, we may send information regarding a claim that is determined to be valid and overdue to a consumer reporting agency. This information includes identifiers from the record; the amount, status and history of the claim; and the program under which the claim arose.
